

REFERRAL PROGRAM

New to 2017, SCAGA is introducing our new referral program. It's a simple and easy way to get money back on your entry fee. All you have to do is get your friends to sign up and the savings are yours! Here is how it works:

1. If you refer someone to a tournament* that you are participating in, and they did not play in that same event last year, then you will get \$10 back for each person you get to sign up.
2. If you refer someone to a tournament* that you are participating in, and they did not play in any SCAGA events from the previous year, then you will get \$20 back for each person you get to sign up.
3. When the person signs up online, there will be a space to indicate who referred them. Make sure to tell them to include your name.
4. You will receive your refunded amount in the form of cash on the first tee of the event.

We want to thank you for participating in the referral program and helping SCAGA continue to grow its events. If you have any questions about the referral program, don't hesitate to contact us in the office at 505-897-0864.

*Spring Stroke Play and SCAGA Four-Ball are not eligible for this promotion.
